

How Can YOU Get Involved?

If you are interested in helping your fellow Veterans, working with youth, getting involved in community activities, or are just generally interested in doing your part, you are our kind of Legionnaire.

Your Post has a number of committees which may be of interest to you. Some of these are:

Americanism

Children and Youth

Veterans Affairs and Rehabilitation

National Security

Membership

Employment

Public Relations

American Legion Auxiliary

Sons of The American Legion

American Legion Riders

Hospital Visitation

Because a Post does not have a particular program is no reason one cannot be started.

Attendance and participation in your Post meetings is the best way to derive the most from your Legion membership.

The Legion Post

Your Post is the "heart" of The American Legion. The strength of the organization is measured by the activities of the local Posts. Listed below are just a few activities in which the local Post may be involved:

Service to the veteran - A Post Service Officer is available to help veterans and their dependents with the benefits guaranteed them by law.

School Involvement - Posts work with local schools in areas such as Flag etiquette, sponsorship for Boys and Girls State, Oratorical contests and obtaining scholarships for local students.

Recreational programs - Golf, bowling, softball, picnics and trips to local events are just a few programs for the Legionnaire and family, which local Posts may sponsor.

Community Involvement - Your Post may also sponsor Blood Drives, Clean-ups, Boy Scouts, Memorial Services, Hospital Services, Marching Units and other community services.

FELLOW LEGIONNAIRE:

We have information that you are a member of Post 1000. Post 1000 is referred to as a "holding Post." Your membership in the American Legion is identical to any other Legionaire but your Post has no home or building to hold meetings or activities. Since you are in our Legion area we invite you to become part of the Post 21 family.
